MEMORANDUM FOR THE EXECUTIVE SECRETARY, SD-MICC
Attn: Colonel Ned B. Broyles

SUBJECT: Preparation of Study [redacted] 25X1X7el

REFERENCE: Your CONFIDENTIAL Memorandum 3173 0559-A dated 24 May 1955

1. Transmitted herewith, in response to the referenced request are two (2) copies each of the following reports:

a. "Pig Iron in the Soviet Bloc," MP-127 ORR Project 20.740 (SECRET)

b. "Coking Coals in the Soviet Bloc," MP-127 ORR Project 20.740 (SECRET)

c. "The Current Aluminum Situation in the Soviet Bloc," MP-127 ORR Project 20.740 (SECRET)

2. Relative to "Coking Coals in the Soviet Bloc," an ORR study heretofore produced provided ample data on the USSR. However, no such research has been completed on these coals in the Satellites and time only permitted of a review of readily available material.

3. These reports, as they now appear with sources documented must bear the control "NOFORN" and are not releasable to foreign nationals. [redacted] 25X1X7
